# Introduction

**Thank you for your interest in sponsoring  
Jeremiah Promise Center's  
2nd Annual Festival of Trees!**

**Did you know?**

- 1 in 36 children are diagnosed with autism each year across the United States.
- 1 in 6 children are diagnosed with a mental illness each year.
- In our area alone, 1 in 3 kids have been diagnosed with a neurobiological challenge.

Early identification and effective therapeutic support through Jeremiah's Promise forges the path to hope and healing.

We are excited to invite you to participate in our 2nd annual **Festival of Trees: A Thrill of Hope**, benefiting **Jeremiah's Promise Neurodevelopmental Learning Center**. This festive event brings together our community to celebrate the holiday season while raising vital funds to support our mission of providing life-changing services and a path forward for families and individuals navigating life with brain-based challenges.

We look forward to partnering with you to make this event a success!
